## STATEMENT

In 2012, the Village of Hortonville received information that Patrick Vaile had been terminated from his previous employment. As a result, the Village looked into the circumstances surrounding that situation. Based upon the information known at that time, the Village Board of Trustees decided that no further action be taken regarding Mr. Vaile's employment status.

In 2013, the Village received an anonymous letter with various allegations against Mr. Vaile, again relating back to matters prior to his employment with the Village of Hortonville. Given the Board's earlier due diligence on similar allegations and having found no workplace issues, no action was taken at that time.

On February 10, 2015, Mr. Vaile contacted the Village and indicated his decision to resign his employment without further explanation. On February 11, the Village accepted his written resignation.
